Road Crew Policy and Child Protection (Chaperone) Policy

Following the recent County and Chief Marshalls meeting it was felt that there was some confusion on the above policies for both Clubs and Towns.

We are therefore offering the following guidelines to ensure that all concerned in Carnival understand their responsibilities for the above and other legislative requirements.

As an entrant you can find further information on the above two policies from the County website at www.somersetcountycarnivals.com then click on the "Entries" section and onto the subsection headed "Legal". You will then find information on Road Crew and Chaperone Policies.

Please ensure that your club puts these policies in place.

All entries in Bridgwater Carnival with a vehicle will receive a copy of the "Tick Box" sheet with their entry number as normal, if you are not entering Bridgwater then you can download the copy attached or from the county website which covers all the legal requirements to take part in the Somerset Carnivals and this includes, road tax, public liability insurance, vehicle insurance, VSO license, weight and brake documents, risk assessments for pyrotechnics, road crew and chaperone policy.

This form must be completed by all entrants (if applicable) and handed in at your first carnival.

This will then cover you for all the Somerset County Carnivals and Midsomer Norton.

Please Note: This is a legal requirement and ticking a box knowing that you are not compliant runs the risk of prosecution under UK law.
